

A LESSON WITH RENTATE

“Renate was always very correct in her training. Her love of horses and concern for their wellbeing was apparent in the way she taught and her approach to training.” - Rica Trujillo [Course Brook Farm boarder]

RENATE LANSBURGH

Now retired from teaching and riding, Renate trained and competed to FEI levels and earned the USDF bronze and silver medals. As a USDF-certified instructor through 4th level and a USEF "R" judge, Renate was committed to helping riders develop balanced and effective aids, an independent seat, and sensitivity. Her trademark philosophy was to keep the horse's wellbeing foremost in mind.

Over the course of her career, Renate taught regularly at Course Brook Farm and she remains a cherished member of our community. In her honor, we will be constructing the Renate Lansburgh Dressage Arena. To support this initiative, a special sponsorship opportunity has been created to honor this exceptional horsewoman and individual. Help us say thank you to Renate for the great contribution she has made to the growth of Course Brook Farm.
