

John Zopatti USDF Gold Medalist

Course Brook Farm is thrilled to welcome John Zopatti to our farm on Saturday, March 23th and Sunday, March 24th depending on interest.

A little bit about John...

John Zopatti is a United States Dressage Federation Bronze, Silver and Gold Medalist and winner of several USDF Regional Championships at the National and FEI levels. He was also named Gold Coast Dressage Association Trainer of the Year an unprecedented four times. John is known for producing and coaching some of the top winning dressage amateur and young riders on the East Coast.

John operated a training business in Wellington Florida for 18 years before moving to Pinehurst North Carolina in 2014. Since then, he has added eventing dressage riders, from Novice to Advanced Level, to his full schedule of “straight” dressage clients.

Additionally, John graduated from the USDF Judges “L” Education Program with distinction.

Finally, Janet was fortunate enough to experience some training rides with John up at the June eventing clinic at GMHA. In her experience, John was challenging in a positive and effective way! – so much so, she has organized this opportunity to be able to ride with him again.

*Obviously, we will need to have enough interest to confirm the above dates with John.
